We are still looking for (2) more teams to join us for 5 on 5 on 5 at the RAC in Lacey, and that will fill up all four fields, it starts on March 8th, (8 Weeks) and will continue until April 26th just before the start of Federal Way league, starting time is at 10 AM every Tuesday, and we play two 5 inning games. If you're not familiar with this game, each team needs 5 players, 7 players is ideal , there are 3 teams on each field, first team takes the outfield, second team takes the infield, and the 3rd team bats, after 3 outs, the hitting team goes to the outfield, the outfield moves to the infield, and the infield bats, and continue for 5 innings, it's a fun game because you get a lot more at bats, quite often twice in one inning, we have all age groups 70, 65, and 60, we use Federal Way rules as much as possible, with all profits saying within the organization.

So if you interested in bringing a team, Reply back to this email, and I'll send you all the info you'll need to sign up.
