

League Format: 5x5x5 3-team double headers every Tuesday beginning March 9th through April 26th.

5 on 5 on 5 Managers, right now we have a total of (9) teams playing on (3) fields at a cost of \$50 per player, but not to exceed \$350 as a team; so if you have more than (7) players the amount will not exceed the \$350 ceiling.

I'll need the team managers to email their team roster; I only need the player names, no other info is necessary, and then mail in a check for your team amount.

Send checks to : Orville Ware

Our plan is to use Federal Way Rules as a foundation for our rules with some exceptions that fit the 5x5x5 format example: Number of Home runs a game shall not exceed (4) home runs then a dead-ball single forcing runners to the next base. We'll go with standard SSUSA tournament bases set @ 70 ft. as players wish to get use to that distance for tournament play like the SSUSA Spring Opener @ Lacey in April .

Below are the names of the teams and the field they'll play on.

After the first week managers can request to change there field to play against other teams.

On field #1 @RAC: Art's TEAMBASH, Ralph's Antiques, and Sims A. team,

On field # 2 @RAC: Sims B team, Caskets Ready A. team, and NWS 65,

On field # 3 @RAC: Dave's Wildlife, Sims V Lab, and Caskets Ready B. team.

IMPORTANT! We are would still welcome the addition of (3) more teams to fill up field #4.

If interested in bring a new team contact:
